To all Patriots:

My name is Peter Ticktin. I am a lawyer in South Florida who is proud to represent Donald Trump in regard to lawsuits brought by those of the Left against our President. If you are reading this, you probably know that our election was stolen and that the whole January 6th "Insurrection" was not what the Left want us to believe it was.

You were there, or people you know and trust were there, and you know the truth. Now, the time has come when I need your help to prove our case and to show the truth.

Donald Trump will never give up. He will not roll over for the left who want to make it so he can never be our President again. He will keep fighting for us.

A number of people the likes of Eric Swalwell have filed lawsuits against our 45th President. These people are attempting to get judges and juries to say that President Trump incited a so called 'insurrection.' The whole goal is to keep him from running again.

We know the truth, and we need to prove it. For this, we need you.

If you were in Washington D.C. on January 6th, and have video footage, you can help.

We need video footage of the following:

- Trump Protestors being peaceful. Marching and crowd scenes. (No selfies, please.)
- Trump Protestors helping police and fellow protestors.
- Antifa, BLM, or other agitators antagonizing the crowd.
- Police or anyone else waving/encouraging people to go into the Capitol building.
- Police wrongdoing or unusual behavior out of the ordinary for a police officer.
- The shooting (or apparent shooting) of Ashli Babbitt.
- Footage of police beating or antagonizing Trump supporters.
- The beating of Rosanne Boyland by police or any other video of Ms. Boyland, including Trump supporters trying to save her.

- The death or any footage of Trump Supporters Benjamin Phillips or Kevin Greeson from that day.
- Footage of police taking down barriers or opening doors and allowing protestors to enter the Capitol building.
- Any footage near the RNC or DNC of scenes near or police response to the pipe bombs and the illusive "pipe bomber".
- Speeches of anyone promoting violence or peace.
- Anything else you may have which could help.

Please send any and all the video you have which could help us. If you are in doubt as to whether it is important, send it, unless you are certain it cannot be of help. Even people laughing and having a good time will help.

Please send your videos directly to <https://www.dropbox.com/request/h5oWI3WJkEuzcXXY7FPE>
Or send an email to trumpdefense@thegatewaypundit.com explaining your video. In addition you can also go to TheGatewayPundit.com to directly submit video through the link on their website.

Peter Ticktin and The Ticktin Law Group are working full time, fighting for President Trump. If you can help us, this is the time to step up and do your part.

Yours very truly,
