

## Index of U.S. Programs Key Grantees

### Anchor Grantees

These grantees receive at least \$500,000 per year and work on multiple U.S. Programs priorities. To more effectively manage these important grants and to enable multi-year funding, they will be funded from a separate budget line going forward. The amounts listed reflect current levels of funding, which may shift in future years as they are stabilized through the Anchor Grants budget line.
